A unique and interesting feature of the seating in the Performing Arts Center is the Dress Circle, the “arms” of which (Zones 13 and 17) slope downward rather than remaining at second floor level. In Zone 15 of the Dress Circle, you are at Balcony level; in the front rows of Zones 13 and 17, you are at stage level.

\*SENIORS - 60 and up    \*\*STUDENTS - children and any full-time student
